

COMMUNITY EVENTS AND SPEAKERS BUREAU

The Department regularly participates in community events that promote and foster our vision to “REBUILD LIVES AND PROVIDE FOR HEALTHIER AND SAFER COMMUNITIES”. The Department is committed to transparency and establishing mutually beneficial relationships with the general public in general and our neighbors in particular. To this end, the CRO operates a Probation Speakers Bureau to facilitate program information and material dissemination to business groups, community organizations, and schools. To request a presentation or submit an invitation to your event email us at visto@probation.lacounty.gov.
